

SPECIALIZED ACCOUNTING SERVICES

A CFO/CPA at Your Fingertips.

We know that all too often, organizations may struggle with the decision to hire a full-time CFO/CPA internally. Because of our experience, Specialized Accounting Services genuinely understands how non-profits and service organizations function from the inside out.

We are a strategic partner for community non-profit and service organizations, helping to create a financial foundation that goes beyond reporting, budgeting, and bookkeeping. Find financial stability through reliable information you can trust, so you can make the best possible decisions.

Engage with real people who speak in real terms — and happen to be very good at what they do. We will help you with full transparency, purposeful accuracy and genuine authenticity.
